Class Song of 1942

Tune: Washington My Washington

Bryant College ever true
We're leaving you today
Not for weeks or not for months
But to stay always
Where we go we'll always show
That we are true to you
Bryant College ever dear
We sing this pledge to you.

Parting is so very sad
It makes us realize
'Tis the end of friendships dear
Tears come to our eyes
Time has come to say "adieu"
We lift our heads and say
Bryant College ever true
We'll think of you alway.
